- ◆ And more

ENGEL & VÖLKERS®

DESIGNATIONS

Engel & Völkers offers strategic designations that empower eligible shops and advisors who serve clients with nuanced, distinct needs that require the utmost specialty and discretion in service.

Private Office

Established in 2007, Engel & Völkers Private Office serves clients with high-value and often multi-market property portfolios. Its inducted members are among the most discrete, competent, and connected real estate professionals in the world.

Development Services

Engel & Völkers' specialized team of advisors and executive leaders who provide a comprehensive, results-oriented experience to the developers and financial institutions involved in residential and resort development projects locally and around the globe.

Commercial

The Commercial designation supports leaders and advisors who focus on a range of commercial transactions including office, retail, multi-family, industrial and hospitality. Through collaboration, shared experiences, custom marketing and tools, this group provides the comprehensive research, analysis and presentation services that this market segment demands.

Our journey to redefine luxury real estate began with Christian Völkers' first shop in Hamburg, Germany, in 1977.

Half a century, over 1,000 locations, and 16,000 professionals later, what the world knows as the iconic Engel & Völkers brand is evermore inspired by this humble beginning, paying homage to our European heritage, unwavering commitment to excellence, and relentless drive to innovate the real estate industry. Engel & Völkers' core values of passion, competence, and exclusivity have created a unique global culture and service-based system that routinely and consistently set the highest standards the industry has ever known.

When you're ready to embark on a journey of unrivaled brand strength, cutting-edge innovation, and the power of simple, trusted elegance, Engel & Völkers will take you to your destination.

**“Quality product offerings,
premium service, and
innovative thinking never
seem to go out of style.”**

Christian Völkers, Founder and Chairman,
The Engel & Völkers Group

This sentiment guides our helm, and Christian Völkers' vision and entrepreneurship continue to elevate our company's services—inspiring the same imagination he originally introduced in Hamburg, Germany, to every market we serve today.
